## Welcome to the Spring Edition of Polesworth Garage News

We're very proud when we tell people that this is our 48th year as a family-run business in Polesworth. We have a great sense of the community around us and I personally think it is that relationship that has helped make us the company that we are today.

Whether it be through the Polesworth carnival, our Summer Festival or the inaugural Charity Fun Run, it is important to put a bit back in to the community that has supported us so

well throughout the past 48 years. You can see more about all our exciting charity work on page 11.

Of course we have developed as a company over that time and can now offer everything to make your car ownership as smooth a ride as possible. Body repairs, MOTs, roadside recovery and car hire now form part of our daily offering.

A major growth area for us in recent years, has been the addition of Polesworth Motor Finance which has allowed us to greatly increase our options in providing the best finance deals for the customer. We arrange finance through a large number of finance companies, and it has also allowed us the possibility to provide finance to people who have had difficulty securing it elsewhere, due to previous credit problems. It's not Guaranteed Finance, because don't

be fooled, nobody can offer that, but we do have access to more finance options than anyone else, meaning we can get as close to that statement as anyone.

Another great service is Polesworth Assist. In the event of an accident we can arrange recovery, supply and an immediate courtesy car, dealing with the whole process for you. All you need to do is collect your car once the repair is complete. We manage the hassle, so that you don't have to.

Thank you for making the last 48 years such a pleasure and here's to the next 48! Why not join us for a glass of wine at our Spring Spectacular; we'd love to see you.

Best wishes,  
**Martin Newbold  
& the PG Team**

## Supporting Tamworth FC

We are extremely proud to sponsor local non-league side Tamworth Football Club, their manager, Andy Morrell, and his assistant. After

achieving 12 consecutive victories recently Tamworth were officially classed as the best football club in the world! The run took them above such

European giants as Bayern Munich and Benfica in the world's form table and planted the club firmly on the footballing map.

Such form has helped catapult the Lambs from the dangers of relegation from having won just twice in 16 matches to third in the Vanarama Conference North.

Polesworth Garage has been involved with Tamworth for many years with the club once carrying the Polesworth Garage logo on their shirts as main sponsors. Long may the successful partnership continue and congratulations to Andy and his team for such a fantastic achievement.

# POLESWORTH CARNIVAL

Planning for the 2015 Polesworth Carnival is in full swing and everyone at Polesworth Garage is busy preparing for the annual street extravaganza.

The event, which brings the whole community together, is taking place Saturday 4th July, with a bumper crowd expected. One week later, Sunday 12th July we hold our annual Fun Run (more details on a later page).

Last year saw a wide range of attractions including a dog show, live performances from local bands, stalls, bouncy castles, art exhibitions and workshops to get involved in. There

were also gymnastic, dance and karate displays to enjoy.

The carnival is famed for attracting classic car fans, with more than 100 classic cars and over 200 classic motorbikes being displayed at last year's event. Various trophies are up for grabs ranging from Classic of the Day to Best American Classic as well as Best Pre-1960s.

For hundreds of thousands of disabled people and their families, Motability is the key to trouble free motoring.

Through Motability, you simply exchange your mobility allowance for the car of your choice from our list.

Motability makes our range of innovative and competitively priced cars even more affordable. The tough, agile QASHQAI could be yours for an advanced payment of just £199, or you could enjoy the spacious NOTE, or economical MICRA without paying any advance payment at all.

Of course the main event is the procession of floats from Pooley View to the Recreation Field. Polesworth Garage has been a long-time supporter of the event supplying many of the vehicles used in the procession as well as having our own staff letting their creative skills go wild on our recovery vehicles.

It's a great weekend of family fun and a great advert for the village; let's just hope the sun shines!

## Polesworth **MOTOR** FINANCE

At Polesworth, we have specialised for 12 years, in sourcing the best finance deals for you.

We are able to offer a range of finance packages tailored to your needs, with various funders. Whether your credit history is exemplary, or you've had a few issues in the past, we can work with you to get you a great deal.

Don't be fooled, if anyone offers Guaranteed Finance. Finance is never guaranteed, and such offers are often at exorbitant rates.

One thing Polesworth Motor Finance can guarantee however, is that we will work extremely hard to provide you with affordable finance, for your vehicle.

We have signed up to the FCA's 'Treating Customers Fairly' charter, and will analyse both your incomings, and your outgoings with you, to ensure the agreement you are about to embark on, is affordable for you.

**You can apply for finance with us, in many ways:**

You can email us at [enquiries@polesworth-garage.com](mailto:enquiries@polesworth-garage.com)

You can log on to the website: [www.polesworthmotorfinance.com](http://www.polesworthmotorfinance.com)

## THE OFFICE at Warton

### FUN RUN In aid of Cancer Research

On Sunday 13th July 2014, we held a fun run from Polesworth Garage to The Office At Warton public house, a distance of approximately 3 miles. 198 runners and walkers, aged between infants and 72 years of age, took part in an effort to raise funds for Cancer Research UK.

It was a magnificent effort by everyone that took part as well as the small team of our staff that organised the event. The fundraising continued at The Office

pub with a raffle of 70 fantastic prizes which was accompanied by entertainment and other events, culminating in an emotional balloon release by many people who had lost loved ones to this terrible disease.

An unbelievable tally of £7653.71 was raised, a figure we are determined to surpass this year.

This years event will take place on Sunday 12th July and for just a £5

Cancer Research donation you can take part. Simply fill out the entry form below and send it to us with your payment and we will send you your official running number and sponsor form.

## Queen's Diamond Jubilee

# FUEL FRENZY

### Do you remember this historic day back in 2012

To commemorate the Queen's Diamond Jubilee, we rewind the fuel price to June 2002, when HM celebrated 50 years on the throne

The queues began two hours before opening, and stretched back for miles and miles, with some people travelling long distances to take part. The chaos that ensued is still talked about locally today, and was only brought to an end

following police advice. Everyone that was able to get fuel at the dramatically reduced price, was delighted to have done so.
